The animated version of King Leone debuted in 1994 and put a lot of magic in our lives and childhood. Now, the history of the father / son on love, loss and friendship is about to obtain an extraordinary live residence. The 21st century version of King King King is destined to debut in July 19, 2019, and be glorious. This time, the director Jon Favreau is destined to bring the story loved to life with Donald Glover as Simba, Beyoncé as Nala, James Earl Jones reprised his role as Mufasa, the Chiwetel Ejiofor as a scar, Billy Eichner as Timon, and Seth Rogen as Pumbaa. Although we were nervous for the film at the beginning, knowing that Favreau was the genius behind the 2016 Live-Action the jungle book and seeing the splendid trailer silence many of our concerns. However, looking at the immense scope of the film and his all-star cast, how much did the Lion King live to do? At \$ 250 million extravagances Although the budget for live action The King King King was not officially confirmed, Boss Marvel Studios, a Kevin Feige let slip that the film would have a budget of \$ 250 million and it seems that every penny it was well spent. Not only Disney had to get the entertainment and the right music, but they also had to be able to afford Beyoncé, which was sure it was an expensive hundred. The original classic alone costs only Disney at \$ 45 million and made almost \$ 1 billion in box office box around the world. The Lion King budget also gives the Favreau a little more to play with than he had for the jungle book that was provided for \$ 177 million. #TheLionKing. 2019. pic.twitter.com/umj018fwtw Disney (@disney) 1 November 2017 The most expensive movie of the Disney 2019 despite its enormous budget, Leone King will not be the most expensive film of Disney year. This Honor goes to Avengers: Endgame that will debut at 26 April 2019. The final installment in Avengers cost Disney \$ 350 million to reach the big screen. It is set to be Disney's most expensive film. Before this, the most expensive studios of the living living film of the Caribbean: at World's End which has a budget of \$ 300 million. Meanwhile, their most expensive animated feature has been tangled that cost the study, at \$ 260 million. This year, the most expensive animated features of Disney are Frozen 2 that will make premiere on November 22, 2019 and the history of the Toy 4 that you debut, JUBILEE 21 June 2019. The movies have both budgets of \$ 200 million - which does not let it be so expensive as the Lion King but almost like the budget. Disney has a ton of films that descended this year, but we should say that we excite the Lion who can't wait to be king. Take a look at the scammer on Facebook! With the announcement of the Oscar nominations, the films like Avengers: Endgame, the rise of Skywalker, Toy Story 4, and King Lion earned a well-deserved recognition. What are some award-winning academy films arriving at the Disney streaming platform? What films are already available for Binge's guard? Here's what we know about Disney + and her content.
